

Trusting God, and dependent on the work of the Holy Spirit in our lives...

Our Purpose at St. John's Church is to:

- bring people to faith in Christ
- help people become fully devoted disciples of Christ

Our Priorities at St. John's Church are to:

- teach the Bible clearly and practically
- keep prayer central to our lives
- help children and young people grow in their understanding and faith
- encourage every adult to grow spiritually mature
- look for ways to have an impact on our society and the world

Our Aim is to become:

• A worshipping Church

We pray that all our services in church will be joyful, reverent, and prayerful. We pray that all of us will live thankful and godly lives.

• A learning Church

We pray for everyone to be submissive to God's Word. We believe Jesus does his work in our lives as we expose our souls to his Word.

• A faith-sharing Church

We pray that we all have a concern to reach not-yet-Christians in the area and in the World with the Good News of Jesus.

• A caring Church

We encourage everyone to belong to a small group that meets mid-week because we believe that in these small groups we can receive the encouragement and care we need to grow in Christian discipleship.

• A serving Church

We encourage one another to participate fully in the life of church by using our gifts.
